

EXTENSIONS OF REMARKS

A TRIBUTE TO KEN WALSH, 2012
ST. JOSEPH'S SCHOOL HENRY
SCHIMPF AWARD RECIPIENT

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2012

Ms. ESHOO. Mr. Speaker, I rise today to honor Ken Walsh, a member of the faculty of St. Joseph's School of the Sacred Heart in Atherton, California, who is being honored with the Henry Schimpf Award for his selfless service contributions, commitment and dedication within the St. Joseph's community. Like the man for whom the award is named, Ken Walsh has touched and improved the lives of so many while at St. Joseph's School of the Sacred Heart, and embodies the kind of patient, humble, selfless teaching methods we should all aspire to practice.

Ken was behind the founding of the entire Athletic program for St. Joseph's School. He expanded the sports program from beyond basketball and baseball, and included other sports programs such as, tennis, track and soccer. Because of Ken's dedication, SJS has a strong sports presence along the Peninsula. His actions have provided more opportunities to more students, enabling many of them to participate in a variety of sports of their choosing. With the help and support of the community, along with SJS faculty, Ken raised money for a new field, which was named after Henry Schimpf. Ken is not only an outstanding educator, but he is also a great collaborator. He has been known to offer other schools in the region, like Sacred Heart Preparatory to utilize SJS tennis courts, and has taken the opportunity to organizing various tournaments between the two schools for both boys and girls. He is well respected by the community, his peers, his family, and his students as a teacher, an athletic director and as a friend.

Mr. Speaker, I ask my colleagues to join me in honoring Ken Walsh, an educator who lives a life which embodies the goals and criteria of Sacred Heart Schools. He lives the five commitments of faith, respect, social awareness, community building and personal growth, and his contributions to his students have strengthened our community and our country immeasurably.

MANHATTAN PROJECT NATIONAL HISTORICAL PARK ACT

SPEECH OF

HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 19, 2012

Ms. MCCOLLUM. Mr. Speaker, I rise to speak regarding H.R. 5987, which establishes the Manhattan Project National Historical Park in Oak Ridge, Tennessee; Los Alamos, New Mexico; and Hanford, Washington.

These American cities were the primary locations of the Manhattan Project—an unprecedented American research and development effort during World War II that harnessed the power of the atom to produce the world's first atomic weapons. The project produced the atomic bombs detonated over the Japanese cities of Hiroshima and Nagasaki that ultimately led to the surrender of Japan in August 1945.

The Manhattan Project is worthy of national recognition as a scientific achievement and a historical turning point in the greatest conflict of the 20th century. However, the highest degree of sensitivity is required in doing so. The same blasts that ended America's war and brought joy to our streets resulted in the death of over 300,000 Japanese civilians.

There are important questions about how the National Park Service will interpret this new monument. These questions should be answered before H.R. 5987 moves forward. While I do not oppose the establishment of a national historic park recognizing the Manhattan Project, I expect the necessary consultations with stakeholders to occur prior to passage of this legislation.

CELEBRATING TAIWAN'S 101ST ANNIVERSARY

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2012

Mr. RANGEL. Mr. Speaker, I rise today to wish our good friends in Southeast Asia, Taiwan, a Happy Anniversary on October 10th. Known as Double Ten Day due to it being the tenth day of the tenth month, it marks the day that The Republic of China/Taiwan came into existence.

Taiwan will be 101 years old on this day. Young by comparison to other nations in the world, but they have done so much in these relatively few years.

Most impressively, Taiwan has become a thriving democracy during this time. In 1996 they held their first direct President elections. Since then, Taiwan has seen different political parties hold the office of President. A true mark of a democracy.

Taiwan's economy is strong and their unemployment is low compared to much of the world. A lot of this can be attributed to them being recognized as a powerhouse in the electronics field.

Taiwan is also an important world citizen—constantly giving aid and assistance where it is needed throughout the globe. If a natural disaster occurs in another country, Taiwan is often one of the first nations on the scene providing much needed help.

One last note, Taiwan's top diplomat in the U.S. and our longtime friend Jason Yuan is leaving his post here to assume the awesome responsibilities of Chief of the Republic of China's National Security Council. We wish him well in this new role and assure him of our continuing confidence in the special relationship between Taiwan and the U.S.

For these reasons and more I congratulate Taiwan and wish them a very happy celebration on their 101st year.

CARROLLTON, GA VA FACILITY OPENING

HON. PHIL GINGREY

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2012

Mr. GINGREY of Georgia. Mr. Speaker, we are here today to honor and celebrate our veterans, American heroes, who have bravely served their country, to open a first class health facility to aid our wounded warriors in their recovery and treatment, and to honor the legacy of the woman who made it all possible—Katherine "Trinka" Davis.

With a war in Afghanistan, a recent one in Iraq, and unrest around the globe, the United States has more than 196,000 active duty servicemen and women that put their lives on the line, night and day, to protect our families

and our freedoms. These men and women accepted the call of duty, leaving behind their loved ones and life as they know it to protect the lives of others.

When our soldiers return from battle, sometimes they do not get the support and assistance they deserve. Simply put, we owe them more. Just as they have answered the call to serve our country, we must answer the call to serve them. That is what Trinka Davis did and why we are gathered here today.

Trinka Davis was a businesswoman from Carroll County who founded The Trinka Davis Foundation in 2004 after realizing the struggles many servicemen and women faced upon returning from Iraq and Afghanistan. The Foundation exists to support veterans and their families. Though she is no longer with us, her memory lives on. Thanks to her generosity and the tireless dedication of her foundation, the Community Foundation of West Georgia, and the Georgia Department of Veterans Services, we are here today to open the Trinka Davis Veterans Village.

This facility will serve 3,000 veterans, and allow them to receive treatment closer to home. Prior to construction, veterans were often forced to drive two hours or more for treatment.

The facility will offer primary health care, mental health services, physical and occupational therapy, health and wellness counseling, and social services. I am happy to report that veterans began receiving outpatient treatment at the Trinka Davis Veterans Village on Monday.

In the coming months, the facility will also include a 42-bed community living center for veterans needing inpatient rehab in a "home-like, family-oriented, atmosphere."

Like our veterans, Ms. Davis is a hero, who recognized the needs of veterans and worked tirelessly to meet them. The Trinka Davis Foundation ensured that Ms. Davis's commitment to the veterans and their families in our own community and beyond would be preserved through construction of this facility.

The USO has a motto, "Until everyone comes home." Trinka realized that our work did not end there. She is an example to us all.

CONGRATULATING WESTLAKE CHRISTIAN SCHOOL

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2012

Mr. BILIRAKIS. Mr. Speaker I rise today to congratulate Westlake Christian School for receiving the Department of Education's esteemed designation of a 2012 National Blue Ribbon School.

Founded in 1995 as a ministry of Palm Harbor United Methodist Church, Westlake Christian School quickly ascended to academic excellence. From its humble beginnings in a church hall with just eight kindergartners, the school now enrolls more than 300 kindergarten through eighth grade students on its 11-acre campus. The school focuses on their mission to guide and inspire students to develop their God-given potential, while fostering a lifelong love of learning, in a nurturing Christ-centered environment.

It is no small feat for a school to receive the distinguished honor of the Blue Ribbon Award.
